9
10 Agency/RESPONDENT hereby requests that the Administrative Law Judge
11 ("ALJ") designate this matter as a web-based case for the following reasons: (1) The
12 exhibits and/or motion attachments that the agency anticipates are required to resolve
13 the issues are voluminous and it will be costly and time-consuming for the parties to
14 make hard copies of exhibits or attachments for the ALJ, the other parties, and
15 witnesses; (2) This matter involves issues that are of public interest and the record
16 should be accessible to members of the public to view online; and/or (3) This matter
17 requires an expeditious hearing and resolution and electronic transmission of motions,
18 responses, orders, and other documents will avoid the delays occasioned by the service
19 of documents by express or first class mail, which otherwise would be allowed under the
20 rules of the Office of Administrative Hearings.
